

Dates to Remember

- Picture Day: Monday, August 20th

Back to School Night

On behalf of the Discovery team, I would like to personally apologize for any confusion that took place on Wednesday evening. We work really hard as a staff to make sure things run smoothly and when it doesn't, we reflect on it to make the necessary changes for the future.

Thank you to all the parents who attended. We appreciate any feedback you may have.

-Ms. Takeuchi (Ms. T)

Middle School Learning Director
